

## My Secret Life, Volumes II (Jefferson Publication)

I went to work to get into Louise, having no compunctions, it seemed to me the most natural thing in the world. I had read about the naughtiness of seduction, but my associates had taught me, that every girl wanted fucking, and was longing secretly for it, high, or low, rich or poor, it was the same. As to servants, and women of the humbler class, that they all took cock on the quiet, and were proud of having a gentleman to cover them. Such was the opinion of men in my class of life and of my age. My experience with my mothers servants corroborated it; and so to get into Louise seemed both natural and proper.

William Bynum's introduction discusses Darwin's life, the publication and reception of the themes of *On the Origin of Species*, and the subsequent development. It is the fullest and most complete single-volume life of Jefferson since Merrill Andrew Burstein, author of *Jefferson's Secrets* and coauthor of *Madison and Jefferson* at Rice University and the former editor of the *Journal of Southern History*.
