

The Prussian Officer (Illustrated)

Lawrence drew on his knowledge of Prussia from his time in Germany and his wife's relations (which included the air ace, Baron von Richthofen) to write this story of Prussian army life. The story works on various levels. There is an anti-militarism theme, unpopular as the nation drew near to war and an examination of latent homosexuality as the officer in the story struggles with his feelings for his orderly, which he can only express through brutality. The young soldier is driven beyond breaking point but finds a kind of redemption in his final return to natural surroundings and, symbolically, he finds equality in death with his tormentor as they are put side by side in the mortuary.

she said coldly: Linguistic Rebellion in The Prussian Officer and Lady .. authority between a captain and his soldier to illustrate how fighting against the whole. In addition to being an officer, the Prussian lieutenant was an exceedingly .. illustrates the unsurprising fact that the ideal officer of the
