

Two Little Women on a Holiday

Hello, Dolly, said Dotty Rose, over the telephone. Hello, Dot, responded Dolly Fayre. What you want? Oh! I cant tell you this way. Come on over, just as quick as you can. But I havent finished my Algebra, and its nearly dinner time, anyway. No it isnt, and no matter if it is. Come on, I tell you! Youd come fast enough if you knew what its about! Tell me, then. I say I cant, over the telephone. Oh, Dolly, come on, and stop fussing! The telephone receiver at Dottys end of the wire was hung up with a click, and Dolly began to waggle her receiver hook in hope of getting Dotty back. But there was no response, so Dolly rose and went for her coat. Flinging it round her, and not stopping to get a hat, she ran next door to Dotty Roses house. It was mid January, and the six oclock darkness was lighted only by the street lights. Flying across the two lawns that divided the houses, Dolly found Dotty awaiting her at the side door.
